# What does **Belonging** mean?

- Sitting at the table and being asked to give input
- Listened to
- Being part of the decision- making process
- Being involved in social events

# Low Exceptions

- Never was a thought about going to college like my sisters or my friends
- Lived in a private institution
- Worked in a workshop
- All I could be was an assistant in a library

# High Expectations

- Give the option of college for **ALL**
- **ALL** people should have the option of having careers
- **ALL** people can live in the “real” community
- **ALL** people have the right to get married

# An Inclusive environment

- Everyone CAN **learn** together
- Everyone CAN **live** together in the community
- Everyone CAN **play** together people
- **ALL** has to mean **ALL**

# Be Part of the Decision

- Nothing about US ...without US
- Not just the discussion.. That's NOT good enough...why?

# Everyone FEEL like they BELONG if...

- Have the Right Attitude
- Make an effort try to include people

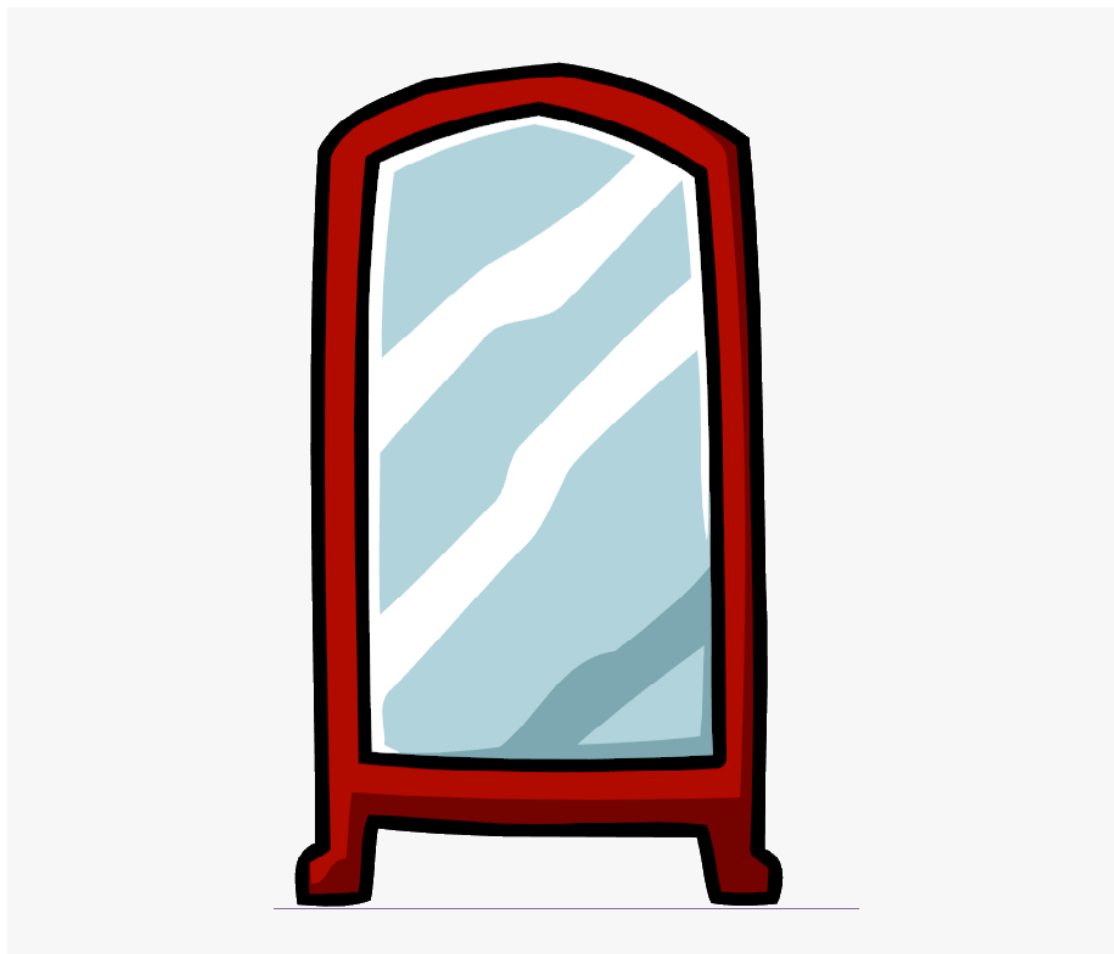

# Believe in YOURSELF!

**YOU HAVE THE POWER  
ALL ALONG
